

Thurston Realty Condition of Rental Property Checklist

Instructions: Tenant(s) must complete this checklist within 3 days of moving in, once submitted landlord/ manager will review the property and completed checklist. If any changes need to be made to the list the tenant(s) will be notified within 3 days. Each party keeps a copy of the signed checklist. Tenant(s) and landlord/ manager uses this checklist during pre and post walk-through inspection when determining if any of the tenant deposit will be retained for cleaning and/or repairs after move-out. BE SPECIFIC and DETAILED when filling out the checklist. For items that are not in the property write "NONE". If any areas are left blank it will be assumed that the area has been left in move-in ready condition.

--------------------	---------	--------

Tenant(s) acknowledge that they have tested any and all smoke detector and thermostat batteries and that they are in working order. Tenant agrees to replace smoke detector and thermostat batteries when needed and test the smoke detectors monthly. Smoke Detectors and Thermostat must have working batteries in them when the tenant(s) vacate the property. Tenant agrees that all appliances are in working order c has made notes if they are not in working order.
